SECTION 0 · LEARNING PATHS

Choose your learning path

Implementer · Auditor · Full

Three learning paths

Implementer

You will build or improve an ISMS

- **S1–S3** Foundation
- **S4–S7** Implementation
- **S8–S9** Audit and certification
- **S10** Lead Implementer simulation

Auditor

You will audit ISMSs

- **S1–S3** Foundation
- **S8–S9** Audit and certification
- **S11** Lead Auditor simulation

Full

You want both perspectives

- **S1–S11** Every section, in order
- **S10–S11** Both simulations

What every path shares

S1–S3	Everyone starts with the foundation: the concepts, the requirements and the Annex A controls
Switch	You can change path at any time
S12–S13	Completing the course: Section 12 explains what completion needs, and both final exams are part of it

Choose your path, then begin with Section 1.
