SECTION 12

What the certificate represents, and what it does not

A record of course completion

- It records that you completed this course
- It is not personnel certification, or registration as a Lead Implementer or Lead Auditor under any scheme
- It does not authorize certification audits, prove competence, or certify an organization

SECTION 12

Staying current

Standards change

- Standards are amended and revised over time
- Check the edition in use before relying on course material
- Keep practising with the toolkit and the methods you have learned
