SECTION 13

Final assessment

How the final assessment works

Exam 1: Lead Implementer

Exam 2: Lead Auditor

SECTION 13

Two final exams

Exam	Focus	Questions	Time
Exam 1 · Lead Implementer	Requirements, Annex A, implementation, gap analysis, risk and the SoA, documented information, Quenvale implementation scenarios	60	Up to 90 min
Exam 2 · Lead Auditor	Requirements, Annex A as audit evidence, auditing the ISMS, the certification process, Quenvale certification audit scenarios	60	Up to 90 min

SECTION 13

How to take the exams

Judgement, not recall

- Each question has one best answer; most describe a situation to judge
- Take each exam in one sitting if you can, without notes
- Read every explanation afterwards, including for questions you answered correctly

SECTION 13

What completing the exams means

Completion, not a score

- Completing both exams completes the course
- 70% is a recommended self-assessment benchmark, not a pass mark
- Below 70%? Revisit the sections the explanations point to
